Alcohol: 13.4%
pH Acid: 3.27 .663gm/100ml
Residual Sugar 0.35g/100ml

Our 2016 Groom Adelaide Hills Sauvignon Blanc continues in the Groom wine fashion with its fresh vibrant fruit aromas, mouthwatering palate, crisp finish and the scary too easy to drink style.....oops never enough in the bottle!

The 2016 harvest was nothing short of fantastic. We had a trouble free growing season with perfect conditions which allowed the fruit to ripen slowly and fully. We had our highest yields ever and that combined with high quality is a rare dream!

The 2016 is a myriad of apple, citrus, fig and pear with some dominant passion fruit and grassy characters. The palate is deliciously crisp, dry and refreshing and very easy to drink. Beware!! This wine is great drinking with seafood, salads, sushi and Asian cuisine or simply enjoying on its own with friends.
